Re: 2015-290-C-Petition of the South Carolina Telephone Coalition for a
Determination that Wireless Carriers are Providing Radio-Based Local
Exchange Services in South Carolina that Compete with Local
Telecommunications Services Provided in the State
Docket No. 2015-290-C

Dear Ms. Boyd:

I am writing on behalf of the South Carolina Telephone Coalition ("SCTC") to oppose CTIA's — The Wireless Association ® ("CTIA") request in the above-referenced proceeding for the Commission to schedule, notice and entertain oral argument on CTIA's Motion to Dismiss Petition, Or, In the Alternative, Expand Scope of Proceeding, And to Suspend Case Schedule.

SCTC opposes any additional efforts by CTIA to delay this proceeding. The issues and arguments raised by CTIA in the above-referenced motion have been fully addressed by the parties in the written motion and responses, and we do not believe oral argument would aid the Commission in ruling on CTIA's Motion.

We respectfully ask the Commission to deny CTIA's Motion, which seeks to expand and delay this proceeding, and we urge the Commission to move forward to determine the narrow issue in this proceeding. If the Commission determines to grant CTIA's motion for oral argument, then SCTC respectfully requests that such arguments be scheduled in a manner to avoid or minimize delay to the November 3, 2015 hearing.
